Privacy Policy

Effective Date: July 22, 2021

This Privacy Policy applies to the website or mobile application that is linked to this Privacy Policy (the "Services") provided by MeetMed ("MeetMed," "we," "us," or "our").

I. Collection of Information

We may collect the following kinds of information when you use a Service:

Information you provide directly to us. For certain Services or activities, such as when you register with a Service, subscribe to our alerts, or contact us directly, we may collect some or all of the following types of information:

- Registration information, such as your Photo, Full name, Email address, Occupation, Password, Medical/profession identity card
- Your podcast (audio/video)
- Your questions and answers in podcast
- Your document attachment
- Any other information you provide to us (registration form, quiz, etc)

We may combine such information with information we already have about you.

Information we collect automatically. We may collect certain information automatically when you use our Services, such as your computer's Internet protocol (IP) address, device and advertising identifiers, browser type, operating system, Internet service provider, pages that you visit before and after using the Services, the date and time of your visit, information about the links you click and pages you view within the Services, and other standard server log information. We may also collect certain location information when you use our Services, such as your mobile device's GPS signal, or information about nearby WiFi access points and cell towers.

We may use cookies, pixel tags, Local Shared Objects, and similar technologies to automatically collect this information. Cookies are small bits of information that are stored by your computer's web browser. Pixel tags are very small images or small pieces of data embedded in images, also known as "web beacons" or "clear GIFs," that can recognize cookies, the time and date a page is viewed, a description of the page where the pixel tag is placed, and similar information from your computer or device. Local Shared Objects (sometimes referred to as "Flash Cookies") are similar to standard cookies except that they can be larger and are downloaded to a computer or mobile device by the Adobe Flash media player. By using the Services, you consent to our use of cookies and similar technologies.

We may also collect technical data to address and fix technical problems and improve our Services. Your device or browser settings may permit you to control the collection of this technical data. By using the Services, you are consenting to us or any party acting on our behalf collecting this technical data.

Information from Third-Party Services. If you access the Services from an advertisement on a third-party website, application, or other service (a "Third-Party Service") we may receive information from the owner of the Third-Party Service related to you or that advertisement.

We may also receive information about you from other sources, including through third-party services and organizations. We may combine our first-party data, such as your email address or name, with third-party data from other sources and use this to contact you (e.g. through direct mail). For example, if you access third-party services, such as Facebook, Instagram, Google, or Twitter, through the Services to login to the Services or to share information about your experience on the Services with others, we may collect information from these third-party services.

Gambar ini menampilkan seikat sayuran hijau yang memiliki daun memanjang dan runcing di bagian ujung. Sayuran ini tampaknya baru saja dipanen karena masih menyertakan akar-akar serabut berwarna coklat muda di bagian bawah batangnya. Batang-batang sayuran ini berwarna hijau cerah, relatif ramping, dan dikumpulkan menjadi satu ikat. Daun-daunnya berjejal di bagian atas, menunjukkan pertumbuhan yang lebat. Sayuran ini umum dikenal di Indonesia dengan nama kangkung. Analisis kondisi sayuran:

Dilihat dari visualnya k... si kangkung dalam
